Section 1. EXISTING PROPERTY. The real property which is, and shall be, held, transferred, sold, conveyed, and occupied subject to this declaration is located in Lane County Oregon, and is more particularly described as follows:

The Shores subdivision in its entirety as platted and recorded in file 73, slides 205-207, Lane County Plat Records, in Lane County, Oregon

all of which real property shall hereinafter be referred to as "existing property."

Section 2. ADDITIONS TO EXISTING PROPERTY, Additional lands may become subject to this declaration in the following manner:

(a) ADDITIONS IN ACCORDANCE WITH A GENERAL PLAN OF DEVELOPMENT. The Developer, its heirs and assigns, shall have the right to bring within the scheme of this declaration additional properties in future stages of the development, provided that such additions are in accord with a general plan of development prepared prior to the sale of any lot and made known to every purchaser (which may be done by brochure delivered to each purchaser) prior to such sale.

Such general plan of development shall show the proposed additions to the existing property and contain:

- (1) A general indication of size and location of additional development stages and proposed land uses in each.
- (2) The approximate size and location of common properties proposed for each stage.

- (3) The general nature of proposed common facilities and improvements.
- (4) A statement that the proposed additions, if made, will become subject to assessment for their just share of Association expenses.
- (5) A schedule for termination of the Developer's right under the provisions of this sub-section to bring additional development stages within the scheme. Unless otherwise stated therein, such general plan shall not bind the Developer, its heirs and assigns, to make the proposed additions or to adhere to the plan in any subsequent development of the land shown thereon and the general plan shall contain a conspicuous statement of this effect.

The additions authorized under this and the succeeding sub-section, shall be made by filing of record a supplementary declaration of covenants and restrictions with respect to the additional property which shall extend the scheme of the covenants and restrictions of this declaration to such property.

Such supplementary declaration may contain such complementary additions and modifications of the covenants and restrictions contained in this declaration as may be necessary to reflect the different character, if any, of the added properties and as are not inconsistent with the scheme of this declaration. In no event, however, shall such supplementary declaration revoke, modify or add to the covenants established by this declaration within the existing property.

(b) OTHER ADDITIONS. Upon approval in writing of the Association pursuant to a vote of its members as provided in its Articles of Incorporation, the owner of any property who desires to add it to the scheme of this declaration and to subject it to the jurisdiction of the Association, may file of record a supplementary declaration of covenants and restrictions, as described in sub-section (a) hereof.

The surviving or consolidated association may administer the covenants and restrictions established by this declaration within the existing property together with the covenants and restrictions established upon any other properties as one scheme. No such merger or consolidation, however, shall effect any revocation, change or addition to the covenants established by this declaration within the existing property except as hereinafter provided.

ARTICLE III

Section 1. MEMBERSHIP. Every person or entity who is a record owner of a fee or undivided fee interest in any lot which is subject by covenants of record to assessment by the Association shall be a member of the Association, provided that any such person or entity who holds such interest merely as a security for the performance of an obligation shall not be a member.

CLASS B. Class B membership shall be in the Developer. The Class B member shall be entitled to three (3) votes for each lot in which it holds the interest required for membership by section 1 provided that the Class B membership shall cease and become converted to Class A membership on the happening of any of the following events, whichever occurs earlier:

(a) When the total votes outstanding in the Class A membership equal the total votes outstanding in the Class B membership; or

PROPERTY RIGHTS IN THE COMMON PROPERTIES

Section 1. GENERAL EASEMENT. All conveyances of land situate in the said property, made by the Developer, and by all persons claiming by, through, or under the Developer, shall be subject to the foregoing restrictions, conditions and covenants, whether or not the same be expressed in the instruments of conveyance, and each and every such instrument of conveyance shall likewise be deemed to grant and reserve, whether or not the same be declared therein, mutual and reciprocal easements over and across all of the common areas of said property for the purposes of traveling by foot or conveyance or resting or otherwise being thereon, and over, under and across all portions of said property (except those portions thereof actually intended to be occupied as living space in any building now or hereafter located upon said property and specifically including (without being limited thereto) the interior of party walls, attic crawl spaces and the area below the living space in any living unit, for the purpose of building, constructing and maintaining underground or concealed electric and telephone lines, gas, water, sewer, storm drainage lines, radio and television antennae and cables, and other utilities and services now or thereafter commonly supplied by public utilities or municipal corporations and upon all common areas for constructing and maintaining thereon streets, driveways, community and recreational facilities, ornaments and statues, swimming pools, lawns, landscaping and planted areas thereon: all of said easements shall be for the benefit of all present and future owners or property subjected to the jurisdiction of the Association by recorded covenants and restrictions recorded as herein above provided, and their tenants, contract purchasers and guests; said easements and rights of use, however, shall not be unrestricted but shall be subject to reasonable rules and regulations governing said right of use, as promulgated from time to time by the Directors of the Association in the interest of securing maximum safe usage of said easements without unduly indulging upon the privacy of the owner or occupant of any part of said property. An easement over, upon and across all parts of said property is granted and reserved to the Association, its successors and assigns to the extent reasonably required to perform exterior maintenance and to the extent

reasonably necessary to perform other maintenance reasonably necessary or advisable to protect or preserve the value of the said property and the living units thereon.

Section 2. TITLE TO COMMON PROPERTIES. The Developer may retain the legal title to the common properties thereon and until such time as, in the opinion of the Developer, the Association is able to maintain the same but, notwithstanding any provision herein, the Developer hereby covenants, for itself, its heirs and assigns that it shall convey the common properties to the Association, free and clear of all liens and encumbrances, not later than January 1, 1980 or upon the demand of the Association.

Section 3. EXTENT OF MEMBERS' EASEMENTS. The rights and easements of enjoyment created hereby shall be subject to the following:

(a) The right of the Developer and of the Association, in accordance with its Articles and Bylaws, to borrow money for the purpose of improving the common properties and in aid thereof to mortgage said properties. In the event of a default upon any such mortgage the lender's rights hereunder shall be limited to a right, after taking possession of such properties, to charge admission and other fees as a condition to continued enjoyment by the members and, if necessary, to open the enjoyment of such properties to a wider public until the mortgage debt is satisfied whereupon the possession of such properties shall be returned to the Association and all rights of the members hereunder shall be fully restored; and

(b) The right of the Association to take such steps as are reasonably necessary to protect the above-described properties against foreclosure; and

(c) The right of the Association, as provided in its Articles and Bylaws, to suspend the enjoyment rights of any Member for any period during which any assessment remains unpaid, and for any period not to exceed thirty (30) days for any infraction of its published rules and regulations; and

(d) The right of the Association to charge reasonable admission and other fees for the use of the common properties; and

(e) The right of the Association to dedicate or transfer all or any part of the common properties to any public agency, authority or utility for such purposes and subject to such conditions as may be agreed to by the members, provided that no such dedication or transfer, determination as to the purposes or as to the conditions thereof, shall be effective unless an instrument signed by members entitled to cast two-thirds (2/3) of the votes of each class of membership has been recorded, agreeing to such dedication, transfer, purpose or condition, and unless written notice of the proposed agreement and action thereunder is sent to every member at least ninety (90) days in advance of any action taken; and

(f) The right of the Association to regulate means of access to the beach for the purpose of protecting the dunes and vegetation that would potentially interfere with vegetation located on the common areas.

Section 4. DRAIN FIELD EASEMENTS. Lots 59-81, 91-108 are subject to an easement with the Heceta Shores Homeowners Association as grantee for use as subsurface sewage disposal system drain fields. These lots may not be used for any purpose by the owner without the written consent of the Heceta Shores Homeowners Association. In any event, the owner shall not use the lots in any way so as to interfere with their purpose of providing locations or reserve locations for subsurface sewage disposal system drain fields. Upon the availability of a

public sewage disposal system not requiring drain fields, owner covenants to connect to such system on the terms and conditions as the public body or bodies with jurisdiction shall reasonably require and upon such connection to discontinue use of the subsurface sewage disposal system originally established. When the lots subject to the easement herein together or singly are no longer required for use as drain fields or reserve locations for such drain fields, the easement herein shall cease and may not be re-established without a separate and subsequent act of the owner of such lots. So long as the easement continues in existence as to any lot, then as to that lot, the owner shall not have any voting rights in the Association by virtue of ownership of such lot. All owners covenant that they shall not object to the standing of any governing body with jurisdiction enforcing applicable private covenants as to repair and maintenance of the subsurface sewage disposal system and by this covenant also delegate the authority to Lane County or any governmental unit or district Lane County may designate to enforce these covenants in respect to repair and maintenance of the subsurface.

Section 5. DRIVEWAYS. Each lot shall have one (1) access to the nearest street as shown on the plat, such access to be a minimum of fifteen (15) feet wide. The location of such access shall be determined by the Architectural Control Committee as part of the process for obtaining approval of plans for construction upon the lot. Once a lot has been purchased and access constructed, the location of such access shall not be required to be moved, except at the request of the owner or at no expense to the owner. For purposes of this section, shared access between two owners constitutes access.

Section 6. ENCROACHMENT. The Architectural Control Committee shall have the authority to approve site development plans which include encroachments of roof overhangs, porches, carports, decks or similar construction on the common properties up to a maximum of ten (10) percent(%) of the lot size of the encroaching ownership for the purpose of providing additional flexibility in site development.

Section 7. SUBSURFACE SEWAGE DISPOSAL MAINTENANCE. The Heceta Shores Homeowners Association or any successor or delegate responsible for the management of the maintenance or subsurface sewage disposal system and all lot owners of lots subject to this declaration covenant that the maintenance schedule and contractor for the subsurface sewage disposal system, as initially approved by Lane County in connection with subdivision approval, shall, not subsequently be changed without the approval of Lane County. All owners in the homeowners association, its successors and delegates, also by this declaration grant in advance all necessary owner consents to Lane County's examining the records of any private contractor performing maintenance on the subsurface sewage disposal system referred to herein.

ARTICLE V

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. CREATION OF THE LIEN AND PERSONAL OBLIGATION OF ASSESSMENTS. The Developer for each lot owned by him within the properties hereby covenants and each owner of any lot by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance, be deemed to covenant and agree to pay to the Association:

(a) Annual assessments or charges.

(b) Special assessments for capital improvements, such assessments to be fixed, established, and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest

thereon and costs of collection thereof as hereinafter provided, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with such interest thereon and cost of collection thereof as hereinafter provided, shall also be the personal obligation of the person who was the owner of such property at the time when the assessment fell due.

Section 2. PURPOSE OF ASSESSMENTS. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, and welfare of the residents in the properties and in particular for the improvement and maintenance of properties, services, and facilities devoted to this purpose and related to the use and enjoyment of the common properties and of the homes situated upon the properties, including, but not limited to, the payment of taxes and insurance thereon and repair, replacement and additions thereto, and for the cost of labor, equipment, materials, management and supervision thereof. Notwithstanding other provisions of these covenants, costs of repairing and maintaining the subsurface sewage disposal system shall be given first priority after payment of taxes, insurance and current obligations already contracted.

Section 3. BASIS AND MAXIMUM OF ANNUAL ASSESSMENTS. Until the year beginning January 1, 1981, the annual assessment shall be Two Hundred Forty Dollars (\$240.00) per lot excluding any amount for real property taxes due on the common areas. Which amount shall be in addition to the maximum amount stated herein and shall be shared pro-rata between lot owners equally for each lot owned. From and after January 1, 1981 the annual assessment may be increased by vote of the members, as hereinafter provided, for the next succeeding three (3) years and at the end of each such period of three (3) years for each succeeding period of three (3) years.

The Board of Directors of the Association may, after consideration of current maintenance costs and future needs of the Association, fix the actual assessment for any year at a lesser amount.

Section 4. SPECIAL ASSESSMENTS FOR CAPITAL IMPROVEMENTS. In addition to the annual assessments authorized by Section 3 hereof, the Association may levy in any assessment year a special assessment, applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a described capital improvement upon the common properties, including the necessary fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all members at least thirty (30) days in advance and shall set forth the purpose of the meeting.

Section 5. CHANGE IN BASIS AND MAXIMUM OF ANNUAL ASSESSMENTS. Subject to the limitations of Section 3 hereof, and for the periods therein specified, the Association may change the maximum and basis of the assessments fixed by Section 3 hereof prospectively for any such period provided that any such change shall have the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose, written notice of which shall be sent to all members not less than fifteen (15) days nor more than sixty (60) days in advance and shall set forth the purpose of the meeting, provided further that the limitations of Section 3 hereof shall not apply to any change in the maximum and basis of the assessments undertaken as an incident to a merger or consolidation in which the Association is authorized to participate under its Articles of incorporation and under Article II, Section 2 hereof.

Section 6. QUORUM FOR ANY ACTION AUTHORIZED UNDER SECTIONS 4 AND 5. The quorum required for any action authorized by Sections 4 and 5 hereof shall be as follows:

At the first meeting called, as provided in Sections 4 and 5 hereof, the presence at the meeting of members, or of proxies, entitled to cast sixty (60) percent of all the votes of each class of membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirement set forth in Sections 4 and 5, and the required quorum at any such subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. DATE OF COMMENCEMENT OF ANNUAL ASSESSMENTS: DUE DATES. The annual assessments provided for herein shall commence on the date (which shall be the first day of a month) fixed by the Board of Directors of the Association to be the date of commencement.

The first annual assessments shall be made for the balance of the calendar year and shall become due and payable on the day fixed for commencement. The assessments for any year, after the first year, shall become due and payable on the first day of March of said year.

The amount of the annual assessment which may be levied for the balance remaining in the first year of assessment shall be an amount which bears the same relationship to the annual assessment provided for in Section 3 hereof as the remaining number of months in that year bear to twelve (12). The same reduction in the amount of the assessment shall apply to the first assessment levied against any property which is hereafter added to the properties now subject to assessment at a time other than the beginning of any assessment period.

The due date of any special assessment under Section 4 hereof shall be fixed in the resolution authorizing such assessment.

Section 8. DUTIES OF THE BOARD OF DIRECTORS. The Board of Directors of the Association shall fix the date of commencement and the amount of the assessment against each lot for each assessment period of at least thirty (30) days in advance of such date or period and shall, at that time, prepare a roster of the properties and assessments applicable thereto which shall be kept in the office of the Association and shall be open to inspection by any owner.

Written notice of the assessment shall thereupon be sent to every owner subject thereto.

The Association shall upon demand at any time furnish to any owner liable for said assessment a certificate in writing signed by an officer of the Association, setting forth whether said assessment has been paid. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

The Board of Directors shall present at its annual meeting for information to the membership a proposed annual budget setting forth the anticipated repair, maintenance and capital improvement costs for the subsurface sewage disposal system drain fields. A copy of each such budget shall be mailed to Lane County for its general information immediately after the annual meeting along with a notation of any action taken at the annual meeting affecting such budget.

The Board of Directors shall manage the affairs of the Association so as to maintain at all times a minimum balance of Three Thousand Twenty-five Dollars

(\$3,025.00) available for repairing and maintaining the subsurface disposal system.

Section 9. EFFECT OF NON-PAYMENT OF ASSESSMENT: The PERSONAL OBLIGATION OF THE OWNER; THE LIEN; REMEDIES OF ASSOCIATION. If the assessments are not paid on the date when due (being the dates specified in Section 7 hereof), then such assessment shall become delinquent and shall, together with such interest thereon and cost of collection thereof as hereinafter provided, thereupon become a continuing lien on the property which shall bind such property in the hands of the then owner, his heirs, devisees, personal representatives and assigns. The personal obligation of the then Owner to pay such assessment, however, shall remain his personal obligation for the statutory period and shall not pass to his successors in title unless expressly assumed by them.

If the assessment is not paid within thirty (30) days after the delinquency date, the assessment shall bear interest from the date of delinquency at the rate of eight percent (8%) per annum, and the Association may bring an action at law against the owner personally obligated to pay the same or to foreclose the lien against the property, and there shall be added to the amount of such assessment the costs of preparing and filing the complaint in such action, and in the event a judgment is obtained, such judgment shall include interest on the assessment as above provided and a reasonable attorney's fee to be fixed by the court together with the costs of action.

Section 10. SUBORDINATION OF THE LIEN TO MORTGAGES. The lien of the assessments provided for herein shall be subordinate to the lien of any mortgage now or hereafter placed upon the properties subject to assessment, provided, however, that such subordination shall apply only to the assessments which have become due and payable prior to a sale or transfer of such property pursuant to a decree of foreclosure, or any other proceeding in lieu of foreclosure. Such sale or transfer shall not relieve such property from liability for any assessments thereafter becoming, due, nor from the lien of any such subsequent assessment.

Section 11. EXEMPT PROPERTY. The following property subject to this declaration shall be exempted from the assessments, charge and lien created herein:

- (a) All properties to the extent of any easement or other interest therein dedicated and accepted by any public authority and devoted to public use;
- (b) All Common Properties as defined in Article 1, Section 1 hereof;
- (c) All properties exempted from taxation by the laws of the State of Oregon upon the terms and to the extent of such legal exemption; and
- (d) All lots subject to the drain field easement described in Article IV, section 4 herein so long as they continue subject to such easement, such exemption being on an individual lot basis.

Notwithstanding any provision herein, no land or improvements devoted to dwelling use shall be exempt from said assessments, changes or liens.

Section 12. PARTICIPATION IN COUNTY APPROVED MANAGEMENT CORPORATION. Notwithstanding other provisions of these covenants, should Lane County or its designated delegate obtain a court order enforcing the subsurface sewage disposal covenants herein, such order may include at the discretion of the court the requirement to participate in a county approved management corporation under statutes, ordinances, rules and regulations then in effect, in whole or in part, as shall be determined reasonable by the court.

PARTY WALLS

Section 1. GENERAL RULES OF LAW TO APPLY. Each wall which is built as part of the original construction of the homes upon the properties and placed on the dividing line between the lots shall constitute a party wall, and to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and of liability for property damage due to negligent or willful acts or omissions shall apply thereto.

Section 2. SHARING OF REPAIR AND MAINTENANCE. The cost of reasonable repair and maintenance of a party wall shall be shared by the owners who make use of the wall in proportion to such use.

Section 3. DESTRUCTION BY FIRE OR OTHER CASUALTY. If a party wall is destroyed or damaged by fire or other casualty, any owner who has used the wall may restore it, and if the other owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use without prejudice, however, to the right of any such owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

Section 4. WEATHERPROOFING. Notwithstanding any, other provision of this Article, an owner who by his negligent or willful act causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

Section 5. RIGHT TO CONTRIBUTION RUNS WITH LAND. The right of any owner to contribution from any other owner under this Article shall be appurtenant to the land and shall pass to such owner's successors in title.

Section 6. ARBITRATION. In the event of any dispute arising concerning a party wall, or under the provisions of this Article, each party shall choose one arbitrator, and such arbitrators shall choose one additional arbitrator, and the decision of a majority of all the arbitrators shall be final and conclusive of the question involved.
